

# IN 2018, WE REACHED 9450 NON-CHRISTIAN KIDS WITH VBS IN 119 VILLAGES!

IF YOU HELP  
**WE CAN REPEAT THE SAME THIS YEAR TOO**

## *Why VBS is so important?*

Nearly half of India's population is under 18 years old, and many of these children live in poverty. Most have never before heard Jesus' name. Other than games and recreation, one thing many children in India don't expect is to hear there is someone who loves them, cares about them and accepts them. 'Jesus loves and accepts me?' Many children find this hard to believe. Because VBS is hosted by our trained teachers, children are able to experience the reality of someone caring about them and are able to hear the truth of Christ's love.

## *How VBS wins souls for the Lord?*

VBS doesn't end with the kids. VBS not only impacts children, but also touches families. Families are invited to attend their children's performances at VBS, see what their children have been doing and interact with pastors. Because of this, many families come to understand the hope of Christ.
