

## Year Of Youth - AIM 2025 (Abide In Me Movement 2025)

Shaping the Next Generation for God's Kingdom

Dear **Friend**,

We are excited to announce AIM 2025 (Abide In Me Movement), our new initiative dedicated to equipping the next generation of ministry leaders across India. Our vision is to train 2000 youths per year over the next three years—totaling 6000 trained youths who will serve as ministry leaders, worship leaders, youth mentors, Sunday school teachers, and outreach workers. Through their efforts, our goal is to reach 10000 children in 2025 alone and to impact a total of 21000 youths over the three-year period. This initiative will empower the next generation to share the Gospel effectively and bring lasting transformation to communities across India.
